

# Water We Up To?

Happiness and health to you and yours in the year ahead!

We would like to wish each and every member a very happy and healthy holiday season. If you or someone you know in our service area is struggling, please contact customer service for information on utility bill assistance. We are here to help!

## Avra Water’s 45th Annual Meeting of the Board of Directors

Our Annual Meeting was held on November 17th. We were back at the Picture Rocks Elementary School and had a really good turnout. Here are the highlights for those who could not make it:

- We had 55 members in attendance.
- Our Administrative Manager, Cathy Kuefler, discussed the Bi-monthly Meter Reading Program and the importance of conservation and awareness with the continuing drought and cuts to Arizona’s Colorado River allocation.
- Theron Mahumed, one of our four, fantastic operation’s technicians, gave a presentation on the ARC GIS Mapping System that we implemented last year.
- Tammy Bales, our Customer Service Representative and Conservation Specialist Extraordinaire, handed out raffle prizes and conservation items, many of which are available to all of our customers throughout the year. Give her a call if you are interested in low flow shower heads, toilet flappers, dye tabs, or faucet aerators.
- Colleen McDonald, Jack Wheat, and Dayv Marlow were all re-elected to serve on the Board of Directors. Congratulations and a HUGE thank you for your work and support!
