

Spring 2023

Avra Water Co-op, Inc.

Water We Up To?

Drinking Water Week 2023
May 7-13, 2023

There are so many events coming up celebrating water, our most precious resource. Fix-a-Leak Week and World Water Day in March, WAM (Water Awareness Month) and Earth Day in April, and Drinking Water Week in May. You can find information on all of these events on their websites which are noted below.

Taking place May 7-13 this year, Drinking Water Week is a celebration recognizing the vital role water plays in everyday life for both water professionals and the communities they serve. Avra Water is observing Drinking Water Week by inviting the public to learn about how truly vital clean, safe water is in daily life, and its role in protecting public health and the environment now and in the future.

This year, to celebrate Drinking Water Week, we encourage any child in the Avra Water community to submit their artwork showcasing how drinking water effects our daily lives. We will be giving a conservation gift to each artist. Artwork must be on a 11"x17" or smaller paper and dropped off anytime during April to be displayed in the office for drinking water week.

Spring is a busy time for the water industry! Join us in celebrating the following events:

Fix-a-Leak-Week <https://www.epa.gov/watersense/fix-leak-week>

World Water Day <https://www.worldwaterday.org/>

Water Awareness Month <http://www.arizonawaterfacts.com/wam>

Drinking Water Week <https://www.awwa.org/Events-Education/Drinking-Water-Week>

May 17 - Board Meeting
May 29 - Office Closed
Memorial Day!
May 31 - Bills Due

SNOWBIRDS...

Did you know that when you leave for the summer you can call us and we will put your account on an "active hold" up to six months of the year? That means you will not have a bill while you are away for a maximum of 6 months of the year. Keep in mind, we will turn off your meter and lock it so you won't have water while you are away, but for those that want more security and do not need to have water on while they are gone, it could be a great option. Call us at 520-682-7331 for more details.

WAM

ARIZONA WATER AWARENESS MONTH

EDUCATIONAL WEBINARS!
