Conservation Tips!

DISHWASHERS

Less Water & Less Work!

Dishwashers are more efficient and waste less water than hand-washing your dishes. Scrape, don't rinse dishes before loading them, use the dishwasher's rinse cycle which uses less water than hand rinsing, and wash full loads.

Dishwashers vs. Hand Washing

An Energy Star-certified dishwasher can use as little as 3 gallons per load.

Hand Washing can use up to 27 gallons of water per load.

Toilets: \$100 Rebate (up to 2 per household)
Dishwasher: \$150 Rebate (1 per household)
Clothes Washer: \$250 Rebate (1 per household)

TOILETS

The low down on low flow toilets.

Leaking toilets can waste a lot of water. To check to see if your toilet is leaking put food coloring or toilet dye tabs in the tank and if you see color in your bowl, you have a leaky toilet.

Toilets are by far the main source of water used in the home.

Replacing an old toilet with a new HE toilet can save you about 13 gallons a day or 4,745 gallons a year.

LAUNDRY

Energy Star clothes washers use 33% less water than a conventional washer, which is approximately 3,385 gallons of water saved a year. A full size washer uses 14 gallons of water per load compared to the 20 gallons an old conventional washer uses. Always wash a full load, this can save water and save you money on your utility bills.

Energy Star certified washers come in both front load and redesigned top load models.

If you have replaced any of these items as of April 1, 2024 you may be eligible to receive our water conservation rebate. These rebates will be given in the form of a check. For more information please call our office at 520-682-7331 or email us at customerservice@avrawater.com

Don't forget about our other conservation goodies!

Toilet flappers, showerheads, hose bib timers, kitchen faucet aerators, toilet dye tabs, pan scrapers, hose spray nozzles, and water leak alarms.

PLEASE REMEMBER TO

let us know if there are any changes to your phone, email, or any other contact information. You may call us at 520-682-7331, email customerservice@avrawater.com, mail the information to 11821 W. Picture Rocks Road, Tucson, AZ 85743, or drop a letter in our drop box in the driveway across from the front door.
